## Invitation

Dear BMX Friends from all around the globe,

The V Tangent Open in San Vicente (Alicante) was epic. It didn't rain, we had great racing and lots of fun!

**It is pleasure inviting** you to the ~~Tangent Open~~ again. Well... to the **BMX Travel Open this time!**

**BMXTravel.com** is a project we have been thinking about for a long period of time (even before the pandemics) **to help you organize your training camps in Alicante**. All done for you, super easy and simple.

And now we get the chance to mix it with the most international BMX Race in Spain.

This year the BMX Travel Open will be held in **El Campello (Alicante)**. As you know, warm weather in winter (**around 12-23°C** in February) and almost 0% rain probability.

We hope to see you all having a great time here in Spain.

See you soon!

Pablo Sanchez

In the name of the Liga LBR | BMX Travel Open organizing team.

## COVID protocol

Due to the daily evolution of the pandemic, we will keep you informed if these measures, protocols, and restrictions are modified. But everything should be fine

The rules dictated by the Government of Spain, the Generalitat Valenciana, and the Valencian Cycling Federation will be followed.

1. Under no circumstances, may any person with compatible symptoms or who is in quarantine due to being in close contact attend the test.
2. Participants must read and accept the COVID-19 test protocol.
3. Participants must fill out and sign the questionnaire about their health on the RFEC website. NOT required for European riders, only the Covid Passport or the PCR used to enter the country.
4. The participants in the test must maintain a social distance of 1.5m at all times.
5. The capacity limitations that the Generalitat Valenciana imposes on the organization of the event will be announced before the competition.
6. Participants must wear a mask as long as they are not wearing a helmet, until the start, both in training and in the race, and must carry it in their pocket throughout the event.
7. The awards ceremony will be held while maintaining safety distances.
8. The organization will have staff for the entire event ensuring compliance with these rules, having the power to inform the arbitration panel and even the security forces if any participant, technician, companion, or assistant does not comply with the regulations.

## Regulation

This race is ruled by the RFEC Regulations and the [Liga LBR Rulebook](#).

For all aspects that are not regulated in this document, title VI: BMX tests of the UCI Regulations will apply.

## Number plates

The Liga LBR will grant each runner the front and side plate with which they must run throughout the LBR League according to the RFEC changes to the regulations.

Runners who DO NOT carry a number or DO NOT carry the correct number will NOT get a score. The characteristics of the plates and numbers are governed by national BMX regulations.

The placement of stickers, drawings, or other fonts that affect the legibility of the numbers will not be allowed.

The runners who DO NOT carry the two plates, front, and side, with the specified characteristics, will NOT obtain a score.

The leaders of the Pro categories in the LBR League may wear their leader plate with a red background and a blank number.
